Name: __________________________

Total # of Credit Hours you will be taking over summer: _____

My Expected Graduation Date is: Month _______, Year ______

If applicable: I am taking _____ credits in the fall and ____ credits in the spring.

Should your credit hours change after submitting this form, please notify Betsy Payne (epayne@vwc.edu) **immediately** as your aid may need to be adjusted.

In order to receive Federal loans and/or a Federal Pell grant for the summer term, you will need to have remaining loan or grant eligibility. The summer session is the end of the 2016-2017 award year. This means any financial aid received for the Fall 2016 and/or Spring 2017 will be considered in determining remaining eligibility. As a result, Federal loan and Federal Pell grant eligibility may be exhausted, limited, or not available. Students enrolled during both the Fall 16 and Spring 17 semesters, who requested to receive the maximum loan or grant amounts, may not have any remaining 2016-2017 eligibility.

Summer classes will be charged the rate of $399 per credit hour.

**No VWC aid** (VWC scholarships, VWC grants, etc.) will be awarded for the summer term. VTAG is also not an option for the summer term. Federal Direct Stafford Loans, Federal Pell grants, and outside scholarships may be available, depending on eligibility.

Students **must be enrolled in 6 or more credit hours** during the summer session to be considered for Federal loans.

If you are not eligible for Federal loans or a Federal Pell grant, or cannot cover your balance with your Federal aid, you may be eligible to borrow an alternative loan through a private lender. You can view our preferred lenders and apply online at www.elmselect.com. However, many lenders require students to be enrolled in 6 or more credit hours to be considered for a loan.

If Summer ’17 is your last semester, or Fall ’17 will be your last semester, you may appeal to use your 2017-2018 FAFSA for the summer semester. We typically do not allow a student who is going to be enrolled full time in both the Fall 2017 and Spring 2018 semesters to appeal for Summer 2017 aid. If you do not have any remaining eligibility from the 2016-2017 award year, but believe that you may have eligibility from the 2017-2018 award year, you may appeal to have your financial aid reviewed for additional eligibility after completing the 2017-2018 FAFSA. If you are appealing to use some of your 2017-2018 eligibility to pay for the summer of 2017, please initial here: ____ and complete the 2017-2018 FAFSA.
