See page 4 for more details.

___ 3. Were you selected for Verification? – If your Free Application for Federal Student Aid (FAFSA) has been selected for verification, either randomly or by VWC’s Financial Aid Office, the Financial Aid Office will need to audit your FAFSA. The Financial Aid Office will send you an email notification if you were selected detailing what documentation will be required to complete the verification process. Verification forms and documentation may be mailed OR faxed along with a signed copy of your award letter to 757.455.6779. Virginia Wesleyan College has chosen to participate exclusively in the William D. Ford Direct Loan program for all of our Federal Subsidized and Unsubsidized Stafford Loans as well as Federal Direct PLUS Loan (DPLUS).

Direct Loans are low-interest loans for students and parents to help pay for the cost of an education after high school. The interest rate and repayment term are lower and more flexible than that of private loans. The lender is the U.S. Department of Education (the Department) rather than a bank or other financial institution.

**With Direct Loans, you:**
- Borrow directly from the federal government and have a single contact – the Direct Loan Servicing Center – for everything related to the repayment of your loans, even if you receive Direct Loans at different schools.
- Have online access to your Direct Loan account information 24 hours a day, 7 days a week at Direct Loans on the Web at: [www.studentloans.gov](http://www.studentloans.gov), [www.nslds.ed.gov](http://www.nslds.ed.gov) and [www.myedaccount.com](http://www.myedaccount.com).
- Can choose from several repayment plans that are designed to meet the needs of almost any borrower, and can switch repayment plans if your needs change.

**The Federal Direct Stafford Loan Program**

The Federal Stafford Loan Program is the first choice for students because the interest rate and repayment term are lower and more flexible than that of private loans.

**Steps to Obtain a Direct Subsidized or Unsubsidized Stafford Loan:**

2. Enter the website using the same PIN you used to sign the FAFSA.
3. Complete the online Entrance Counseling Session. This needs to be completed by any student that has never taken out a Stafford Loan.
4. Complete the online Master Promissory Note (MPN) for the Subsidized and Unsubsidized Stafford Loans.
5. Return a copy of your signed award letter accepting the student loans.

**Direct Loan Master Promissory Note**

Direct Loan Master Promissory Note (MPN) is a note under which you may receive multiple Subsidized and Unsubsidized Federal Stafford Loans over a maximum ten-year period.

**Disbursements**

Stafford Loans are disbursed in two (2) disbursements, usually at the beginning of each term. All disbursements will be made through Electronic Funds Transfer (EFT).

**Fees and Interest**

The current interest rates and loan fees can be found at [www.studentaid.ed.gov](http://www.studentaid.ed.gov). Loan fees are assessed at the time the loan is disbursed, so the net amount of the loan disbursed will be less than the loan you are awarded.

**Grace Period**

A specified period between the time a borrower graduates, withdraws or drops below half-time and the time he/she begins repayment. For Stafford Loans the grace period is six (6) months.

**Cancellation**

You may cancel all or part of your loan prior to disbursement at any time by sending an email request for the total amount of the cancellation to finaid@vwc.edu. You may also cancel all or part of your loan up to 14 days after the funds are credited to your student account.

**NOTE:** The cancelled loan amount may cause a remaining balance owed toward your student account.
When parents want to help finance a student’s education, there is no easier way than a Federal Direct PLUS Loan. DPLUS Loans can supplement any of the Direct Stafford Loan variations or Expected Family Contribution. DPLUS Loans are not based on need but rather parents’ credit-worthiness.

**Steps to Obtain a Federal Direct PLUS (Parent Loan for Undergraduate Students):**

1. A parent may start applying for DPLUS loans on April 1, 2015.
3. Enter the website using the same PIN you used to sign the FAFSA.
4. Complete the online application for the DPLUS. The U.S. Department of Education will perform a credit check on all loans.
   
   ***NOTE*** Credit approval for DPLUS Loans is only good for 90 days. After 90 days, a new credit check is required and a parent may be denied for the loan at that point.

5. If the loan is approved, please also complete the online Master Promissory Note (MPN) at www.studentloans.gov. Please sign the MPN as soon as your loan is approved. Failure to do so could cause the 90-day credit approval to expire.

6. If the loan is denied, the FAO will contact you about your additional loan eligibility. Students with freshman or sophomore status are eligible for an Additional Unsubsidized Stafford Loan for $4,000 per year. Students with junior and senior status are eligible for an Additional Unsubsidized Stafford Loan for $5,000 per year.

**Loan Amounts**

Parents can borrow up to the cost of attending VWC, less any other financial aid received – including grants, scholarships and loans the Direct Stafford Loans. Since interest is not paid by the federal government, family income has no impact on how much parents can borrow.

**Disbursements**

DPLUS Loans are disbursed in two (2) disbursements, usually at the beginning of each term. All disbursements will be made through Electronic Funds Transfer (EFT).

**Fees and Interest**

The current interest rates and loan fees can be found at www.studentaid.ed.gov. Loan fees are assessed at the time the loan is disbursed, so the net amount of the loan disbursed will be less than the loan you are awarded.

**DPLUS Loan Endorser**

If the parent borrower is ineligible because of an adverse credit history, the parent may obtain an “Endorser” for the loan. The “Endorser” must be a credit-worthy U.S. citizen or eligible non-citizen. The “Endorser” will be acting as a co-applicant for the parent on the loan and must meet the same credit criteria as the parent borrower. The parent must complete a MPN. Parents will be automatically notified by the federal processor regarding this process. Once the “Endorser” is approved, please contact the FAO (finaid@vwc.edu) to let us know you have an “Endorser” for your loan.

**Cancellation**

You may cancel all or part of your loan at any time prior to disbursement by sending an email request for the total amount of the cancellation to finaid@vwc.edu. You may also cancel all or part of your loan up to 14 days after the funds are credited to the student’s account.

**NOTE:** The cancelled loan amount may cause a remaining balance owed toward your student account.

**Increase or Decrease Loan Amounts**

To increase or decrease the loan amount, email the exact information to the Financial Aid Office at finaid@vwc.edu immediately.
Before you apply for an Alternative Loan, you should first consider all aid alternatives including grants, scholarships and federal loans (Stafford and DPLUS Loan) included in your Financial Aid Award Letter. Our lender list can be accessed at www.elmselect.com. Each lender listed on the site was selected based on lender stability, full service customer care, competitive interest rates, borrower benefits and timely loan disbursements. These lenders are frequently used by our Alternative Loan borrowers, provide multiple benefits and an efficient application process. Additionally, they disburse funds electronically to Virginia Wesleyan College, which allows us to post funds directly to your Student Account.

Prior to choosing a lender, we encourage you to review all possible options. If you decide to choose a lender from the website, contact the lender directly to apply. If you choose another lender, please inform us as soon as possible.

**Code of Conduct:** We pledge to continue our practice of not entering into any type of revenue sharing agreement with any lenders. We refrain from accepting any nominal value from all lenders including gifts for the financial aid staff.

**NOTE:** Processing of loans may take 4-6 weeks; we ask students to complete the alternative loan application process as soon as possible to ensure the loan will be approved before the tuition deadline.
