TESTIFY TO THE PROBLEM OF VIOLENCE AGAINST WOMEN--"The Clothesline Project (CLP) is a program started on Cape Cod, MA, in 1990 to address the issue of violence against women. It is a vehicle for women affected by violence to express their emotions by decorating a shirt. They then hang the shirt on a clothesline to be viewed by others as testimony to the problem of violence against women. With the support of many, it has since spread world-wide. See this [list of videos](#) on YouTube. View this [Google Image Search](#)," according to <http://www.clotheslineproject.org/>. HAMPTON ROADS COMMUNITY FOUNDATION FUNDS MARLINS READ, MARLINS COUNT—Marlins Read and Marlins Count received a \$3,000 boost from the Hampton Roads Community Foundation to help children in our surrounding neighborhoods succeed in school.

PUMPKINS FOR SALE--If you are looking for a place to buy a pumpkin AND do good works, Bow Creek preschool, a non-profit preschool in Virginia Beach, has a pumpkin patch fund raiser every year. The pumpkins are donated from a Native American reservation in New Mexico. The proceeds from the fund raiser are split between the reservation and the school. It is win-win. Students in Robin Takacs Portfolio class helped to unload 2,600 pumpkins this week, so it is on good authority that we know the pumpkins have excellent prices (much cheaper than at the grocery store) and they are beautiful. Some are HUGE! DIRECTIONS: Bow Creek Preschool, Bow Creek Presbyterian Church, 315 South Rosemont Rd., Corner of Rosemont Rd. and South Plaza Trail (less than a mile from Va. Beach Blvd. and Rosemont or from the Rosemont Exit - Take a right onto Rosemont. The church is on the right side of the road), Virginia Beach, VA 23452.

SUPPLY DRIVE TO BENEFIT PORTSMOUTH HUMANE SOCIETY--Tri Beta will be sponsoring a supply drive for laundry essentials (old towels and blankets, detergent) from Oct. 3 – Oct. 17. You may drop off items in the Office of Community Service.

DOCUMENT YOUR SERVICE. USE THE ON-LINE SERVICE LOG—Students needing to document their service hours have the opportunity to record them as they go through this on-line, on-your-honor service log system. Go to www.vwc.edu/service where you will find a button on the homepage that says DOCUMENT YOUR SERVICE. Once there, you will be asked to register the first time you access the system. After that, you will be sent directly to the log where you can input a description of your volunteer work and hours. If you are in Honors and Scholars, be sure to check the Honors and Scholars line in the Service Type box. You may print your log to submit wherever your service is required.

NEW ITEMS TO RECYCLE: Laptops, tablets, MP3 Players, digital video/cameras, game consoles, gps devices, t1 graphing calculators—These items, in addition to ink jet cartridges, alkaline batteries and cell phones, can all be recycled in the Office of Community Service.
