THE COURSES
Classes at VWU are small and interactive. Some of the courses required for the social work program are Lifespan Development and Behavior, Diversity and Social Problems in Social Work, Social Work with Individuals and Families, Ageing in the Media, and Women on the Brink.

INTERNSHIPS/UNDERGRADUATE RESEARCH
The final spring semester is spent learning in the field a minimum of 36 hours per week under the supervision of a qualified supervisor. The potential internship is carefully chosen by the Internship Director to match the student's interests, knowledge and developing skills. The students focus on their integration into the field both in the agency and in a professional role. Assignments reinforce professional skills and behaviors. Students learn from one another and develop an understanding of the broad array of resources available to their clients.

BEYOND THE CLASSROOM
The Bachelor of Social Work program at Virginia Wesleyan commits itself to the clients whom our students will ultimately serve. Social work is a profession which works with people in the most difficult of life circumstances. We believe that our clients deserve only the very best prepared workers. We commit ourselves to our program and to its reputation of excellence. Our program is respected within our community and commands some of the very best internship experiences as a result. We are committed to maintaining this reputation for the program and for the University. Ultimately, our clients deserve nothing less.
