Ideas I am considering for a practicum experience in SW 401: _____

Age groups with whom I would like to work (1st, 2nd, 3rd choice) FOR INTERNSHIP:

Types of agencies in which I would like to work for an internship:

You must provide your own transportation to and from the internship, per departmental policy. You must be available to work in the agency 36 hours a week during times which the agency requires.

You will meet on campus in Seminar class 4 hours per week, one afternoon per week. If there are specific needs or challenges that you may face of which the faculty should be aware,

what are they?

In 500 words, please discuss how you see your classroom learning as preparing you for internship—think about how your knowledge of theory and research will inform your practice experience. In addition, discuss the strengths that you bring to the experience, for example, your ability to persist in the face of adversity or scarce resources; your ability to tolerate a “less than hoped for” outcome; or your tolerance for ambiguity, would be strengths you might consider.

Note: Please attach a copy of your **Program Evaluation** (available via Web Advisor) which documents the academic course work you have completed thus far and your academic standing. Your electronic signature on this document indicates that you have read, understood, and will accept the policies of the internship experience in Virginia Wesleyan’s Bachelor of Social Work program.
