Commissioning

ARMY ROTC, MARLIN COMPANY
COMMISSIONING CEREMONY
14 MAY 2021 AT 1000

COMMISSIONEE
Robert M. Mazingo, Jr.
B.A., Communication
Aviation, U.S. Army Reserve

Our commissionee today joins a distinguished formation of Army ROTC graduates from Virginia Wesleyan University. The Marlin Company, previously the Marlin Detachment, was established on campus in February 1998 and operates as part of Old Dominion University's Monarch Battalion led by LTC Camala Coats. A full-time office for the Marlin Company was established in Godwin Hall in February 2019. Through elective classes and field training, students receive valuable tools, training, and leadership experiences that not only lead to military service but also become assets in any career field.

The Department of Military Science is part of neighboring ODU's Office of Military Activities under the leadership of CAPT Robert E. Clark, U.S. Navy Retired, and is academically aligned under the ODU Strome College of Business.
