**10:25am - 11:40am Concurrent Sessions**

**Session: Deliberative Dialogue**

**"Climate Choices: How Should We Meet the Challenges of a Warming Planet?"**

In this deliberation moderated by VWU students, participants examine the advantages and disadvantages of different options for addressing climate-change. The framework provides an

opportunity to work through the tensions between various approaches to the problem, weighing them against the things we hold most valuable.

Location: Hofheimer Library
