BUILDING A FOUNDATION...BRICK BY BRICK.

Support Virginia Wesleyan students while also having your own piece of the campus!

At Virginia Wesleyan, we take pride in our students not just when they are here taking classes, but even after they graduate. By donating to The Excellence Fund at either of two gift levels, you are able to leave your child's legacy on the school grounds forever with a commemorative brick.

The Excellence Fund supports students through the funding of scholarships, internships, study abroad, and undergraduate research.

By honoring your student through the gift of a brick, you are not only tangibly recognizing their success, but you are giving another student the chance to succeed.
